

Fostering Questionnaire

Before completing this form, please ask yourself honestly if you are in a position to foster a dog.

Please remember that many rescue dogs will have little or no history with them and their past lives may have been abusive or neglectful. Are you prepared for the change to your daily routine and lifestyle?

IMPORTANT: This is a fostering questionnaire and does not guarantee you a foster. It should be completed by the main carer, who must be over 21 years old.

Please complete the form in black type or ink only (no highlighting).

On the multiple choice questions underline your answers, and return the forms in the original word format or as a PDF. Please note any forms that have not been filled as per this instruction will not be eligible for consideration.
